What The Real Estate Transaction Looks Like Moving Forward

With an emphasis on social distancing as a new normal, technology plays a bigger role than ever before.

Those who master the tech tools will be the ones clients will see as the most efficient, reliable and trustworthy. The processes we have now to master:

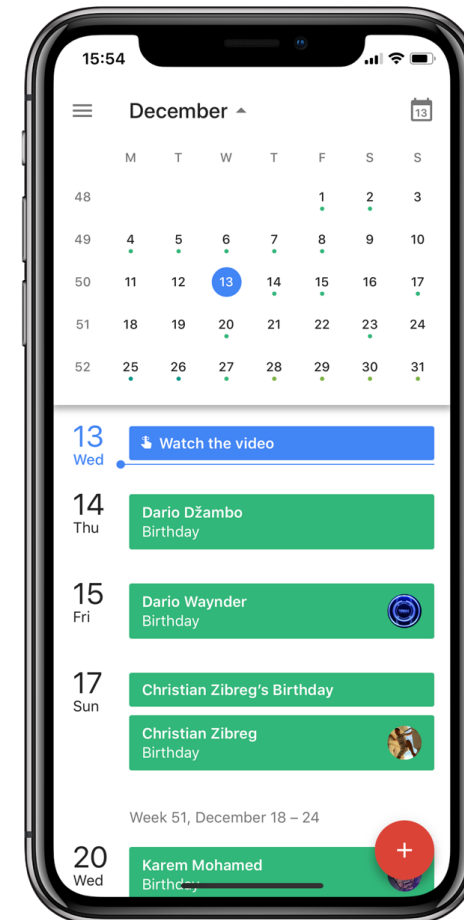

- **Automation**
- **Virtual tours and personalized showings**
- **Online Consultations**
- **Document Management and Signing**
- **Virtual Closings**
- **Financial Transactions**

Google Calendar

Advanced Google Calendar Secrets

Google Calendar, as the foundation of your time management system allows the ability to successfully keep multiple schedules and maintain productivity

Advanced Google Calendar Secrets

The Google Calendar App has significant advantages compared to paper time management systems:

- **Much easier to transport, easier to access**
- **Separates calendar events by multiple categories**
- **Digital Assistant keeps you up-to-the-minute with alarms and notifications**
- **Backed up for safety and security on the Google Cloud**
- **Share calendars with others that update in near real-time**
- **Make a calendar publicly accessible online and searchable**

Advanced Google Calendar Tips & Tricks

- **Change how your calendar week starts:**
In Settings > View Options, select the day to start your week (Sat, Sun or Mon)
- **Create a custom calendar view:**
In Settings > View Options, choose a custom view. In the calendar, press **4** to open.
- **Manage appointments through multiple time zones**
In Settings > Time Zone, click to allow secondary zone, then select.
- **Easily share a calendar:**
In Settings > Settings for my calendars, click calendar, add email and permissions.
- **Peek at a colleague's agenda on a shared calendar:**
Create event, add them as a guest; Click “Find time” and select a time to schedule.

Advanced Google Calendar Tips & Tricks

Keyboard Shortcuts

- **Switch calendar views easily:**
1 or D for Day, 2 or W for week, 3 or M for month view. Wherever you are in the calendar, click T for today.
- **Create an event with one click:**
Press C
- **Go to any date on the calendar**
Press G
- **Quickly adjust an event:**
Left-click to get popup details, right-click to change color or delete
- **Advanced search:**
Press / then click the arrow to the right
